Tool Box Lid

For Use
With Cross Bed Tool
Boxes

Tool box not
included

Each fiberglass tool box lid is custom built to fit with your truck's cross bed tool box. It will give you easy truck bed access as well as providing an aerodynamic design which improves gas mileage. Your lid comes equipped with dual automotive style locks keeping cargo secure and out of sight.

Features:

- Clamp-on mount most models (bolt-on for some)
- Patented E-ZSM Lift Hinge used for durability, strength and ease of opening and closing
- Smooth finish (some models available in textured)
- Factory colors with lifetime paint warranty
- Easy to install and removes in seconds

Patented E-ZSM Lift Hinge

Made in
the U.S.A.
